

ABB Welcome™ M2304 Video distributor

M2304

Video distributor

This compact device is used primarily to connect up to 4 different apartments with video indoor stations to the system controller. It can also be used to connect multiple isolated systems.

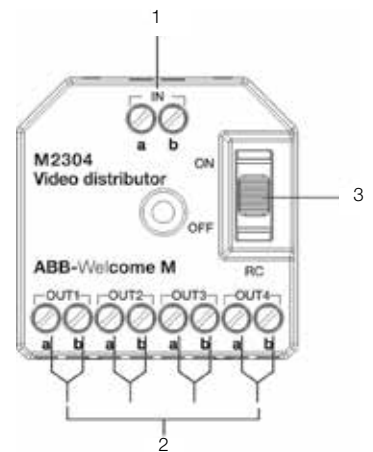

Key feature

- Flush-mounted into box or surface mounted through the hole in the middle or DIN rail mounted via DIN adaptor (Article no. 53001DR).

Overview of video distributor control buttons

Number	Function
1	Bus in/out
2	4 outputs for indoor stations or risers
3	Terminal resistor ON/OFF

Specifications

- Operating temperature: -13 °F to +131 °F
- Single-wire clamps: 2 x 0.28 mm² – 2 x 1 mm²
- Fine-wire clamps: 2 x 0.28 mm² – 2 x 1 mm²
- Ingress protection: IP20
- Bus voltage (a, b): 20-30 VDC (Supplied by system controller or auxiliary power supply)
- Flammability: UL 94 V0
- Product dimensions: 1.77" x 1.77" x 1.02"
