DP38-NBM
Brass M&S size

DP38-NBKM
Black M&S size

DP38-NBZM
Bronze M&S size

DP38-NSM
Aluminum M&S size

The **M-Series** Door Station models include **DP38-NBM**, **DP38-NBKM**, **DP38-NBZM**, and **DP38-NSM**. These units provide standard door-to-phone communication when used with the **DP28-C***. A new design not only brings great new looks, but great new additions as well. A discrete slot is available for an optional third-party 14mm pinhole camera and the weather-proof back box provides quality protection and durability for your unit. All M-Series Door Stations mount into any standard Music and Sound's box as a flush mount. Optional back boxes (DP38-BXMF and DP38-BXMS) are available as both flush and surface mounts. Colors are available in 4 anodized finishes: brass, black, bronze, and aluminum. These Door Stations are also available in kits with the DP28-C as the **DP38-BM**, **DP38-BKM**, **DP38-BZM**, and **DP38-SM**.

*DP28-C not included

FEATURES

- Manufactured in aluminum with anodized Brass, Black, Bronze, and Aluminum finishes
- Mount into any standard Music and Sound's box as a flush mount
- Optional surface mount back boxes (DP38-BXMF and DP38-BXMS) mount easily on almost any surfaces including fences and gates
- All back boxes are manufactured in steel with black powder-coating finish and provides superior protection from the elements
- No external power required: power drawn from connected Door Station Controller (DP28-C)
- LED button lights up when the Door Station is active
- Discrete slot available for optional 3rd party cameras

APPLICATIONS

- Communicate with people at a door, gate, or any other entrance way where Door Station is present
- Can be placed at:
 - Front/Rear Entrances
 - Remote Entryways
 - Marine Docks
 - Delivery Docks
 - Secured Facilities
 - Senior Housing
 - Disabled Housing
 - Apartment Complex
- Use in conjunction with the DP29-CI to activate external trigger devices (e.g. door chimes, cameras, lights...) with the Door Station
- Use in conjunction with the DP29-SW to open electronically locked doors or gates with the phone
- Use in conjunction with the DP38-T to answer your door with your cellphone
- Mount a third-party 14mm security camera in the camera slot to see who is at your door
- Use as extra Door Station to any Door Station Kit
