August Smart Lock Pro

Z-Wave® retrofit smart lock for professional installers.

Give your customers total control of the front door with the August Smart Lock Pro.

Homeowners will be able to lock and unlock their door, give keyless entry to family and friends and monitor who comes and goes– all from their iOS or Android phones.

The Z-Wave Plus lock is truly easy to install. It takes less than 10 minutes and requires only a screwdriver. Best of all, since it attaches the existing deadbolt, customers can continue to use their existing keys.

Unlock new profits with the August Smart Lock Pro today.

Bluetooth SMART   **Z-WAVE PLUS**   **2 YEAR** WARRANTY

Features

Control and monitor your door from anywhere.
Lock and unlock your door, control keyless access, and keep track of who comes and goes, all from your phone.

Be sure you're secure with DoorSense™.
Only August has DoorSense™ to tell you the door is completely closed and locked..

Control access for anyone.
Grant access for a few weeks, a few hours, a few minutes. It's up to you.

Keep your existing lock and keys.
Easily attaches to your existing deadbolt so everyone can still use their keys.

Locks automatically as you leave.
Never worry if your door is locked again.

Unlocks when you arrive.
Auto-Unlock detects your arrival and unlocks the door automatically.

Simple, DIY installation.
August Smart Lock Pro installs in about 10 minutes with just a screwdriver.

Works with August app.
