

Decora Smart® Anywhere Switch Companion

(Works with Wi-Fi® 2nd Gen)

It is easy to pair the Anywhere Switch Companion with a Decora Smart 2nd Gen Dimmer or Switch for additional ON/OFF control, such as at the base of a staircase (see diagram on page 2), or to pair the Anywhere Switch Companion with a Decora Smart Mini Plug-In to add ON/OFF control to any indoor wall surface (see diagram on page 2).

Decora Smart Wi-Fi 2nd Generation devices:

Once installed, the Anywhere Switch Companion visually matches your other Decora Smart Wi-Fi devices and features familiar ON/OFF control. Press the top of the rocker switch to turn ON, press the bottom of the rocker switch to turn OFF.

APPLICATION

The Decora Smart® Anywhere Switch Companion pairs wirelessly with your Decora Smart Wi-Fi® 2nd Generation devices to provide additional ON/OFF lighting control locations wherever you need it most such as at the base of a staircase, the end of a hallway or open areas with multiple entrances like a large kitchen or family room. Mount it directly on the wall surface or at an existing single or multi-gang wallbox – no wiring is required.

The Decora Smart Anywhere Switch Companion is the perfect solution for locations where wiring or a wallbox with a traveler wire may not be present. For added convenience, you can even control Decora Smart Wi-Fi 2nd Gen Mini Plug-Ins to add a wall mounted switch to control your connected plug-in lamps, electronics, or small appliances.

FEATURES AND BENEFITS

- Place it anywhere you need additional lighting ON/OFF control to create 3-way/multi-way solutions with no wiring required
- Mounts directly to your wall surface or installs at an existing wallbox (single and multi-gang) where a traveler wire may not be present
- Slim profile, and because it's Decora®, it matches your in-wall Decora devices for a seamless look
- No Wi-Fi or app required for setup or operation
- 50-ft wireless RF range between the Anywhere Companion and the primary Wi-Fi 2nd Gen device
- Use with Leviton Decora standard or Decora Plus™ screwless wallplates (single and multi-gang)
- Replaceable CR2025 batteries included, with estimated 5-year battery life (results may vary)
- Easy battery replacement – no need to remove the device from the wall or wallbox
- Pair up to three Anywhere Companions with a Decora Smart Wi-Fi 2nd Gen device
