Lose Your Keys. For Good.™

Lock and Unlock Your Home  
Without the Hassle of Keys

YaleHome.com

An ASSA ABLOY Group brand

ASSA ABLOY

Works With Your Smart Home!

**Upgrade any Assure Lock™**  
to integrate seamlessly with your smart home or alarm system. Just plug a Yale Network Module into the slot above the lock's battery compartment. Modules are sold separately or included with the lock.\*

- Integrates with just a couple of steps
- Monitor, lock and unlock from anywhere
- View access history of who's entered your home
- Receive notifications on your smartphone
- Integrate with voice activated solutions like Amazon Alexa (requires Samsung SmartThings or Wink Hub).\*\*

\* Modules may be sold separately.  
\*\* Features may vary between integration systems.

Assure Lock™ with Bluetooth®
